

## ISO 9001:2000 or TS 16949 Awareness

**COURSE OBJECTIVE:** The purpose of this course is to create awareness on the ISO9001/TS 16949 standard. This will help the organization in implementing a simple, effective and result oriented system. We also undertake consultancy projects on Implementation of Quality Management System based on ISO 9001/ ISO 14001/ TS 16949 and OHSAS 18001

**HOW OUR COURSE IS DIFFERENT:** After our course, participants can write their own standard. They would rarely have to refer to the standard after the course. We also take all practical implementation problems in consideration and suggest different options to deal with such situations.
